Will Drill Two Oil Wells West and East of Didsbury

The big news of the past week was the moving of oil equipment into the district for Canadian Superior Oil of California and the selection of a well site south-west of Didsbury.

While no definite information is available as to plans of the company, Joe Francis was awarded the contract to clear the well site and this work was started last week by Don Shannon and Ron Gordon. The well is to be located on the Jack Jacobson farm, which is about 7 miles west and four miles south of Didsbury.

It is understood that actual drilling will commence as soon as the equipment is installed, and that it is planned to operate three shifts a day when drilling starts.

Just how many men will be employed by the drilling contractors is not known, but during the past week every available place has been secured to accommodate the oil men and their families, who will number about 50 persons in all. It can be found living quarters here, it is rumored that Canadian Superior will drill another well west of Didsbury, and this one is expected to be spudded in shortly.

TO DRILL EAST OF DIDSBURY

Another oil well to be drilled east of Didsbury was also announced last week. The well is on lot 2, 18-31-27. With it will be known as Borehole No. 1. It has been staked by the Bailey Company along with Anglo Canadian, Seaborn Oil of Winnipeg, Sunshine Mining Company of Idaho, and Mount Roy, a syndicate, a private group from Montreal.

The well site is almost directly east of Didsbury on the Gore half section, which is just west of the Julland school. This well is scheduled as a Madison test down to around 6,000 feet, and the contractor, Regent Drilling Co., of which Louis McCulloch is a partner, will spud the well early in January.

W. Bro. Robt. Eubank Master of King Hiram Lodge A.F. & A.M.

At an impressive ceremony held in the Masonic hall on Tuesday evening, January 2, Worshipful Bro. Robert H. Eubank, D.D., was installed as Worshipful Master of King Hiram Lodge No. 21, A.F. & A.M., together with the following officers:

W. Bro. Geo. A. McInnes, L.P.M.
Bro. Roland Ahlgren, J.W.
Bro. Kenneth Burns, J.W.
Bro. Edgar Wiggins, S.D.
Bro. Harvey Hoesgood, J.D.
W. Bro. A. L. McInnes, Treasurer.
W. Bro. E. J. Rouleau, Registrar.
Bro. A. W. Rouleau, Chaplain.
Bro. T. H. Morton, L.G.
Bro. Carlton Leeson, S.S.
Bro. Reid Clarke, J.S.
W. Bro. Geo. Law, D.C.
Bro. Wm. Spence, Tyler.

Wor. Bro. A. L. McInnes and Wor. Bro. E. J. Rouleau were installing masters, assisted by Wor. Bro. Geo. Law as Director of Ceremonies, and other officers.

Wor. Bro. Harvey Hoesgood was the Investiture Officer.

Following the installation ceremony a banquet was held in the banquet room and a large number of members and visitors attended.

Shower December 14 For Bride of the Month

On Thursday afternoon, December 14, a large group of ladies met at the home of Mrs. Robt. Dubois to honor Miss Margaret Kinick, bride-elect of the month. The Westcott W.I. was in charge of the shower and the president, Mrs. Cliff Eckstrand, and her helpers Mrs. Herbert Goheen and Mrs. Dubois, had charge of the afternoon's activities.

The ladies present were asked to give Margaret a favorite recipe for her recipe file, and then each in turn gave an experience in her cooking or baking that had been a failure in the years when she wanted so much to impress the new husband. This was followed by another contest in which Mrs. A. Shier, the bride-elect's aunt from Carstairs, was the winner by having the greatest number of words from Margaret's full name.

Last but not least, Margaret was then seated under the big white table, the room having been especially decorated for the occasion, and she opened her parcels and thanked everyone for the many lovely gifts. She was assisted by her mother, Mrs. Ed Kinick, and her sister, Mrs. E. Walker.

A delicious lunch was then served by the ladies and all wished Margaret the very best of luck in her married life.

AMBLE INN AGAIN CHANGES HANDS

Joe Seto, who operated the Club Cafe in Didsbury for several years before selling out to George Smith in 1948, has again entered the restaurant business in town, having purchased the Amble Inn.

Joe, who spent some time in China after he left Didsbury, says he is glad to be back here where peace and quietness prevail. He is at present remodeling the old restaurant and will open the business this week under a new name, the "Star Cafe."

Mr. and Mrs. Archer Honored by Relatives

On December 30, the eve of their 50th wedding anniversary, Mr. and Mrs. W. D. Archer, old time residents of the district, were pleasantly surprised when their children and grandchildren assembled at their home. After an evening of games and visiting everyone enjoyed a delicious lunch.

All of Mr. and Mrs. Archer's children and grandchildren were present except a daughter, Ruby, who lives in Howland.

Earlier in the day Mr. and Mrs. Archer had received a bouquet of mums from the grandchildren.

AFTERNOON GROUP ELITES OFFICERS FOR 1951

The annual meeting of the Afternoon Group of the United Church of Canada was held at the home of Mrs. E. Eckel in December with eleven members present. The devotional period was conducted by Mrs. Leeson, and the following officers were elected for the ensuing year:

President, Mrs. Ruth Eckel.
1st Vice President, Mrs. E. Ranton.
2nd Vice President, Mrs. Ed Kercher.

Secretary, Mrs. C. F. Nicholl.
Treasurer, Mrs. F. Stevens.
The January meeting will be held at the home of Mrs. E. Ranton on Thursday, January 4, at 2:45 p.m.

Dr. and Mrs. Dalton Deardrick of Peace River spent the holidays with the former's parents, Mr. and Mrs. Alden Deardrick.

Wallher League Has Christmas Party

On Thursday, December 28, the Lutheran Wallher League held its fourth annual Christmas turkey banquet. Fifty Leaguers assembled in the basement of the church and in a short time three turkeys disappeared. Following the meal Rev. Fox, acting as toastmaster, called on a number of Leaguers to speak. Games and an exchange of gifts brought an enjoyable evening to a close.

The League conducted 24 meetings during 1950 which were attended by 180 Leaguers and friends. The League began the year 1950 with 60 members. However, in the course of the year nine Leaguers resigned or moved away. This was offset by seven new members joining and thus the membership as of December 31st stands at 58. The League undertook numerous projects in the past year: one three-act play and four one-act plays were presented; the Spring Bazaar was sponsored; a Lenten window display was made in Berseth's store; a Lenten cross was set up; a church sign was made; a display of oil paintings was sponsored; and a float entered in the Didsbury parade.

Financially the League also enjoyed an excellent year. It began 1950 with a total of \$27.10 and closed the year with \$25.57 on hand. However, in between these figures the League spent \$742.92.

MELVIN NEWS

Mr. and Mrs. M. McKee and family spent Christmas with relatives at Pincher Creek.

Walter Young of Edmonton spent the holidays with his family here. Mr. and Mrs. Allan Chandler of Stettin spent the holidays with their parents, Mr. and Mrs. Lloyd Chandler.

Mr. and Mrs. A. E. Krebs left for the west coast before Christmas to spend the holidays at the homes of their son and daughter.

Institute members please note that the January meeting will be held at the home of Mrs. H. Fischer at Stettin at the home of Mrs. C. Leeson.

The Westcott Cubs and Scouts joined by others, sang Christmas carols in the neighborhood on Christmas Eve.

General Dwight D. Eisenhower

The 12 Atlantic Pact nations announced in a communique issued at the end of their two-day meeting in Brussels, Belgium, recently that Gen. Dwight D. Eisenhower, liberator of Europe in 1945, had been elected supreme commander of a Western European army of 750,000 men—of which 500,000 would be Germans. Eisenhower, the communique said, will come to Europe "shortly after the first of the year" to set up his headquarters and create an international staff to run the "effective, integrated European force under centralized command and control." The Atlantic powers also agreed to set up a defence production board with powers to expand and accelerate "armament production." The Atlantic Council of Europe and Defence Ministers announced their agreement on a Western European army, to include Germans, if possible, at a hurriedly-called press conference after they adjourned.

Didsbury High School Hockey Team Wins Opening Game

Playing their first home game of the Rossbach High School Hockey League here on December 20, the Didsbury Beavers swamped the Carstairs High School team nine goals to two.

A ragged first period saw the Beavers fumble many chances to score but they did manage to click on three plays. The first goal was scored by Morris on a pass from LaVerne Newfield, and a few minutes later Bill Francis set up the play for the Beavers' new forward, Jack Neufeld, who found the net for the second marker. The third goal came from Ed Archer's stick on a three-way play from Morris and LaVerne Newfield. The period ended 3-1 for the Beavers.

Early in the second period Carstairs scored their second goal when Stanton, recently of Didsbury but

now of Carstairs, was left uncovered in front of the Beavers' net and slammed the puck home for a clean goal. The Beavers then started to play hockey and goals were scored by Newfield, assisted, by Dick Neufeld from Bruce Freeman, by Alex Freeman from Gordon McMorris, and by Ed Archer from Freeman and McMorris, by Dick Neufeld from B. Freeman, and by Ken Morris from Newfield.

Fans agreed that the last two periods of the game showed a good brand of hockey. Brunwell in the Didsbury net had little to occupy his time for the evening and for this he can thank the outstanding work of Jack Gillrie and Barney Barrett in the defence zone. These two defence men showed just what good clean body-checks can do in slowing down the opposition.

THE CHRISTMAS STORY IN PANTOMIME

"The Light of the World," a cantata pantomime arranged by Mr. G. Lyle Richardson, was produced for the first time at the United Missionary church on Wednesday evening, December 20.

This cantata in pantomime, depicting the Christmas Story, was perhaps one of the most beautiful and impressive representations of the events surrounding the "Nativity" ever presented in this community.

The subject matter of the Cantata referred back to the great prophet Isaiah's time when it was revealed to him that the world's Messiah should be born of a virgin. That his name should be called "Wonderful, Counsellor, the Mighty God, the Everlasting Father, the Prince of Peace."

The narrative took up again when the Angel Gabriel announced to Mary that she should be "highly favored" in that she should become the mother of the Christ Child. Then we are led to Bethlehem, the "City of David." We see Joseph and Mary seeking a place to rest. No room is left save a place in a stable. Here the Christ is born and laid to a manger by loving hands. The shepherds on the neighboring hills are startled from their night watches by a Heavenly messenger who announced the birth of the Saviour, and that He might be found in Bethlehem. The shepherds

hasten to David's City to see this thing which had been told them.

Men of learning in Eastern countries are strongly apprised of this glorious world event and are constrained to follow a brilliant, moving star westward. The star moves before them, leading them to the place where they find Mary and Joseph and the Child. They present Him with gifts.

The story was related in scripture by the narrators and enhanced and enriched by beautiful carols and other appropriate vocal selections. The College choir sang such numbers as "Heavenly Light," "Silent Night," "Gloria in Excelsis," "O Holy Night," and others. A ladies' sextette sang very effectively the sweet carol "Sleep, Child Divine." Three solos from Handel's "Messiah" were sung: Orland Boettger sang "Then Shall the Eyes of the Blind be Opened," Egan Brover sang "The Shall Feed His Flock Like a Shepherd," and Margarita Sawatzky sang the ever appealing "Come, Unto Him." Margaret Dyck sang the Italian carol "Gesu Bambino."

A new vocal music feature, presented for the first time was the Annunciation and response. Mr. Richardson, the compiler of the words of this lovely number, sang the words, and the choir responded with the grand outburst of joy known as the "Magnificat." The program reached its conclusion in a grand climax when the choir marched to the front of the church flanking the scene of the "Nativity" and sang the "Hallelujah Chorus" by Handel, just preceding the choir came three figures in foreign costumes depicting the coming of all nations to the King of Kings, and bowed reverently at the altar.

Of the program the cast the principles were Mary and Joseph. These were taken by Greta Andersen and Theodore Plato. The part of the Old Testament prophet was effectively performed by Archibald Ruggles. Dorothy Stauffer did the part of the angel of the Annunciation.

The narrators were Jean Burkholder, Lyle Richardson and Mrs. Pearl Lemont. Mr. John F. Wilson played the piano during the entire program.

The front of the church was elaborately decorated with lovely evergreen trees, Gordon Burgess and Stan Cox handled the lighting effects very capably.

A generous share of credit for the success of the cantata is due to the costume committee, Helen Swalm, Charles Matson, Delina Neubauer and June Stevens.

The atmosphere created by the perfectly adapted costumes was solemnizing and sacred. The audience seemed transported into the past ages of the night when it breathed, as it were, the midnight air of that "Holy Night" in the regions of Bethlehem, the "City of David."

Ramblers Add Four Points In Holiday Hockey Games

The Didsbury Ramblers have played three games during the past ten days, and the first two occasions the games ended in tie scores, while the last game played Saturday night at the local arena resulted in a win for the locals by a 10-2 score.

On December 20 the Ramblers played at Drumheller when a good game of hockey was displayed. Didsbury team held its own against the fast-skating Miners from Drumheller and the game ended in a 4-4 score.

Didsbury team was forced to score three goals in the final period to force the game into overtime.

Didsbury goals were scored by C. Papke (3), Devine (1), and Goetz (1).

Drumheller goals were garnered by Leclerc (3), Winn (2), and Smith (1).

Didsbury—G. Evans, G. Roberts, B. Moon, B. Weidner, G. Wilkins, B. Fulkner, L. Devine, C. Papke, T. Morgan, K. Goetjen, R. Miller, J. Holub.

Drumheller—S. Samuels, J. Evans, D. Smith, C. Smith, Melville, J. Berland, L. Campbell, Van Loo, Jenkins, Mustica, Popovitch, Winn, Jim Smith, Kuryk, Salows.

On December 27, the Ramblers again had a close contest when they played at Trochu before a capacity holiday crowd. While the locals did not win the game, they gained a point in league standing by holding Trochu to a 3-3 score.

Didsbury goals were scored by T. Morgan (1), J. Neufeld (1), and L. Devine (1).

Trochu goal-getters were McKay (1), Dawe (1), and E. Cory (1).

Didsbury—Evans, Roberts, Moon, Weidner, H. Shantz, Joe Neufeld, Devine, Fulkner, Papke, Morgan, Wilkins, Miller, Vecchio, Schultz, J. Holub.

Trochu—Brown, H. Hanna, Drew, Hutton, Evans, McKay, E. Cory, F. Hill, R. Hanna, Wik, Dodd, and Thompson.

On December 30 the Ramblers really went on a scoring spree and downed the Drumheller Miners 10 goals to 2 in a fast skating encounter. The first period was the downfall of the Miners when the locals

scored in eight goals, with the visitors being held to a lone tally.

Didsbury goals were scored by C. Papke (4), T. Morgan (1), J. Neufeld (1), and R. Miller (2).

Didsbury—G. Evans, W. Weidner, Bill Moon, Ray Shantz, C. Papke, Ralph Buck, L. LeGrand, T. Morgan, L. Devine, Bill Fulkner, G. Wilkins, J. Vecchio, J. Neufeld, R. Miller and J. Holub.

The Drumheller line-up was the same as in the previous game played at Drumheller on December 20.

Mr. Neufeld described the club meetings he had recently. The club rally at Carstairs was attended by 80 members, and the meeting and skating party held at Earlfield's for the Bergen Bees Club.

Mr. Brander presented the club with a statuette of a riding horse, which was the prize awarded to the member having the best records in feeding the club calf. Builders' hardware of Didsbury also donated a statuette to be awarded on achievement day in the spring.

Mrs. Bittner donated a rose woven bed throw which will be used to help the club's treasury by raffie at the social in March.

The next meeting will be held at the W.E. Stiles home on January 27. Lois Stiles and Gordon Stiles are preparing tables on club work. It is hoped to have slides shown of the calf club Stiles in Carstairs last spring and other pictures taken by the Agricultural Service Board in this municipality soon.

Harry Gae was welcomed as a new member.

FISH AND GAME MEETING FRIDAY, JANUARY 5

A general meeting of the Didsbury Fish and Game Association has been called by President Irwin Klein for Friday, January 5, in the Lions' Hall, and a good attendance is requested.

At this meeting delegates will be selected to attend the annual convention of the Alberta Fish and Game Association to be held in Calgary on February 2 and 3.

A delicious supper was served, and a double tier birthday cake was brought in with lighted candles, while everyone sang "Happy Birthday." Grandma blew out the candles and seemed to thoroughly enjoy the afternoon.

Mrs. Ben Krampeen came to Canada in 1900 from Iowa and settled at Didsbury. She is one of seven girls in a family and had seven daughters. Her husband predeceased her 21 years ago and she has made her home with her daughter, Mrs. Ben Good.

Although ninety years of age, Grandma Krampeen is still active and insists on chopping and bringing in wood even in 30 below weather, although she has five husky great grandsons next door who would gladly do it for her. Only when it storms does she consent to let someone else take over her chores.

Annual Meeting Of The Rugby F.U.A.

The annual meeting of the Rugby F.U.A. was held at the home of P. Hoesgood on December 13.

Officers for the coming year were elected as follows:

President, P. Hoesgood.

Vice-President, L. D. Evans.

Secretary, Mrs. Lesley Evans.

Secretary-Treasurer, L. Chandler.

Directors will be appointed at a later date.

Mrs. Ben Hoesgood gave a very thorough report of the F.U.A. convention which he attended early in December.

A wheel drive will be held at the Percy Hoesgood home on January 8th. Everyone welcome.

Malher and Sons Make Braces for Crippled

It's a big happy family affair in the spirit shop of Alberta's Red Cross Crippled Children's hospital in Calgary where a father and his two sons built out the 700 braces and splints needed annually at the hospital.

Now working in a cramped little shop in the basement of the old hospital the Malher family—James Sr., James Jr. and Jack are looking forward to the two large rooms set aside for them in the new hospital, due to open March 1, 1951.

James Malher Sr., who picked up the technique of building braces by his own ingenuity, has been with the hospital 25 years. James Jr. has been working with his father for nearly five years and has spent time in Toronto learning how to construct artificial limbs. Jack has been with the hospital 15 years where, in addition to working in the spirit shop, he is steam engineer.

All parts of the braces are made at the hospital which is variously equipped with all types of machinery from a welding outfit to a sewing machine that can do 1,700 stitches a minute.

Most common of the disabilities for which braces are fitted are club feet, bow legs, hip conditions and spastics. Work on club feet, treated with what is known as a Dennis Browne splint, can begin when the child is only three weeks old. The younger the patient is, the sooner he recovers. Many of the splints used for correction of club feet can be found on shelves of the workshop. Numbers of them are fitted with tiny baby shoes.

Bow legs are treated with a single splint, fitted on the inside of the leg to hold the limb stiff. The lower end fits into a special pocket on the inside of the shoe.

Like all fine workmen, the Malher take pride in special accomplishments. One of these is the building of an elaborate Taylor dorsal spinal brace which takes eight hours to build. It is used in the treatment of outward curvature of the spine.

The Malher family handles all brace orders with ease whether it be a Jones traction and abduction frame for hip deformities or weight-bearing calipers for treatment of tubercular bones that haven't bear any weight.

A large percentage of the braces are devised from pictures while many are constructed just from specifications from the doctor attending the case. The latest in modern improvements are employed in building the braces, with each unit making use of all recent discoveries in the treatment of crippled patients.

The Malher family repair braces, too, and have on hand units from Hamilton and Vancouver, Australia, Britain and the Mayo Clinic at Rochester.

James Jr. builds the artificial legs with careful consideration as to the extent of amputation and how much weight must be borne by the limb. They are made of dried willow bines with stretched rawhide as a substitute for skin. Fresh-colored paints add the life-like touch.

HELICOPTER BOOSTED AS FIRE-FIGHTER

The versatile helicopter is proving itself one of the most useful of forest fire fighting weapons in the hands of the U.S. Forest Service personnel, according to the Wild-land Management Institute.

Forest Service pilots have dropped fire fighters on mountain tops 9,000 feet above sea level under favorable conditions. The ability of the craft to hover stationary over or near a blaze makes it ideal for spotting and suppressing fires on national forests. It is pointed out.

FAT TURKEYS GO TO MARKET FROM ACME

Brown's farm at Acme has marketed nearly 3,000 turkeys ranging in weight from 18 to 35 pounds for this year's holiday trade.

The Browns are one of the largest producers of turkeys in Western Canada and so far have culled 1,000 birds to be used to supply eggs for hatching in 1951.

The farm is equipped to handle several thousand birds, having portable range shelters, permitting a weekly move to fresh pasture for the flocks.

A REALIZATION

The very first thing for a man to realize is that the world does not owe him a living. It owes him nothing except for value received. And his first business in the world is to do something to help the world along, and only in this way can he justify his existence and have a decent excuse for consuming food and oxygen.—Dr. Frank Crane.

MORE FLAX NEEDED

In estimating production requirements for flax at the recent Federal-Provincial Agricultural Conference, it was noted that drying oils may have to be imported into Canada unless farmers increase their flax acreage in 1951.

Stocks of Canadian flaxseed have been reduced by over 6 million bushels in the past year and supplies available will be confined largely to the 1950 crop which is estimated at 45 million bushels. Unless the flax acreage is increased, there will not be enough flax in this country to satisfy the export market and meet the requirements indicated at the Conference that prices for flaxseed are likely to remain strong in 1951.

The flax crop in the past has proved profitable on many Alberta farms. A. M. Wilson, Field Crops Commissioner, suggests that one of the reasons might well be given to increased acreage of flax during the coming year. In view of the limited supplies of good seed as a result of frost and mature crop during the past season, any flax suitable for seed should be held for sowing, advises Mr. Wilson.

B.C. DOUGLAS FIR USED IN FESTIVAL OF BRITAIN DISPLAY

Douglas fir from British Columbia has been used for the construction of laminated arches that support the roof over the entrance to the Festival of Britain display, under construction on the south bank of the Thames. Some 28,000 feet, weighing 47 tons, were donated to the Timber Development Association of Great Britain by the British Columbia Lumber Manufacturers' Association.

CHRISTMAS SEAL RECEIPTS SHORT OF OBJECTIVE

Christmas Seal fund receipts for Red Deer and Central Alberta are still \$438 short of the objective, it was reported Saturday by W. J. Stephenson, chairman of the Red Deer Rotary Club Christmas Seal Committee. Returns to date total \$10,152. The objective for Red Deer and Central Alberta is \$14,500.

Provincial receipts reported by D. E. Batchelor, treasurer of the Alberta Tuberculosis Association have reached \$190,367 towards the provincial objective of \$170,000. Mr. Batchelor said the books of the T.B. Associations would be kept open for another few weeks to permit all possible contributions to be counted in the 1950-51 campaign totals.

Mr. Batchelor pointed out that it is urgently necessary for the Association to raise at least \$170,000 this year in order to continue the program of installing X-ray equipment in hospitals for routine chest X-ray of patients. Much unsuspected tuberculosis is discovered in this way, as well as other conditions, including heart disease, cancer, etc.

Christmas Seal fund contributions are income tax deductible and receipts will be sent on request. Contributions may be forwarded to the Red Deer Rotary Club Christmas Seal Office, at Red Deer, Alberta.

BLORE'S JEWELLERY

W. E. Blore — Didsbury, Alta.

CHEVROLET for 1951 presents a new profile, with extended rear fenders, newly designed grille, longer, lower, more sweeping lines; and many other features. Chevrolet also offers Powerglide automatic transmission, as an option at extra cost. Powerglide is fully automatic and eliminates the clutch pedal and the mechanical shift. This is the first fully automatic transmission to be offered in the low cost price field. Also offered are new Jumbo-Drum brakes which require 25 percent less pedal pressure. Shown above is the 1951 Chevrolet Styleline Deluxe four-door sedan. There are 11 other models including the Chevrolet Bel Air, Canada's first "hard-top" convertible.

EAST NOTES

About fifteen people gathered at the Alfie Thompson home Christmas eve and a very enjoyable evening was spent.

Be Proud Of Your Business

Modern advertising is a necessity to build and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel—proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

PREDATOR CAMPAIGN IN
ALBERTA TO CONTINUE

Reports of the prevalence of timber wolves and cougars in several areas has resulted in government action. Supplies of free ammunition and cyanide guns used by government game and forestry officials are being increased in an effort to combat the predators.

Cyanide guns, useful against timber wolves, are being supplied to officials of the timber and forestry branch in known to be frequented by wolves. Registered trappers are also being instructed to destroy timber wolves wherever possible. Under the Game Act trap-line licenses can be refused to registered trappers who fail to destroy wolves in the area of their trappings.

The bounty for cougars is \$15 and on timber wolves is \$12, and is being continued. The government paid out bounties on 744 wolves and 35 cougars in 1950.

GRAIN TIE-UP

Over 4000 carloads of grain are at the Lakehead ports of Fort William and Port Arthur and cannot be unloaded because of congestion in the terminal elevators. D. G. McKenzie, chairman of the board of grain commissioners, said that the tough and damp grain is causing the trouble, and drying equipment at the terminals operating 24 hours a day cannot cope with the situation as they can dry only a million bushels a day as a top figure.

NEW AIRFIELD AT SINGAPORE

Britain is to build a new civil airfield at Singapore which will be one of the main ports of call for jet airliners travelling from London to Australia.

ANKERMAN—KLINCK
Maude, yellow and white chrysanthemums decorated the United Church in Didsbury on Saturday, December 16, at 3:30 p.m., for the wedding of Miss Ankerman, second daughter of Mr. and Mrs. H.E. Klinck of Didsbury, and Mr. Raymond Clair Ankerman, son of Mr. Sidney Ankerman of Melfort, Saskatchewan.

Rev. C. Armstrong, minister of the Knox United Church, performed the ceremony.

The bride was given in marriage by her father and wore a floor-length gown of white satin and net with short sleeved bolero of white satin with white stand up collar and elbow-length white gloves. Her long veil was held in place by a small cap, and she carried a bouquet of American Beauty roses. Her only ornament was a three strand string of pearls with matching ear-rings, the gift of the groom.

The bride was preceded down the aisle by the three attendants, Miss June Klinck, sister of the bride, Miss Dorothy White of Calgary, and Miss sister of the bride, Miss Margaret of honor wore a floor-length matching gown of yellow taffeta and net and carried a bouquet of mauve and white mums.

Beverly Eckstrand, cousin of the bride, as flower girl wore a floor-length dress of mauve taffeta and net and carried a basket of mauve and yellow baby mums.

The groom was attended by his brother, Mr. Douglas Ankerman of Calgary.

The ushers were Mr. Douglas MacDonald of Calgary and Mr. Ernest Walkers, brother-in-law of the bride, of Didsbury.

During the signing of the register, Miss Dorothy White of Calgary sang "I'll Walk Beside You."

Mrs. Arnold Wheeler of Calgary, cousin of the groom, supplied the wedding music.

The bride's mother wore a dress of wine crepe with a corsage of yellow roses.

Following the ceremony a reception for the guests was held in the church basement.

The bride's table was centred with a three-tiered wedding cake, and tables were decorated with mauve and yellow mums and lighted candles.

Mr. Alex Robertson, uncle of the bride, proposed the toast to the bride, to which the groom responded.

For travelling the bride and groom chose matching suits of navy blue gabardine, the bride's being complemented with grey accessories and a corsage of yellow roses, with a burgundy top-coat.

Following the honeymoon spent in Saskatchewan the happy couple will reside in Calgary.

GOOD SEED FOR BETTER CROPS

Make sure of your seed supplies by ordering now, advises J. E. Bird, Supervisor of Crop Improvement, Alberta Department of Agriculture. Pure seed is needed to produce high quality grain. Again this year the Alberta Crop Improvement Association is making registered and certified seed available through grain elevator agents, District Agronomists and the Alberta Seed Growers' Co-operative.

Registered seed is the purest and best seed available. It is marketed in sealed sacks after having been carefully inspected in the field, cleaned to a high standard, and inspected again as cleaned seed. The tag of the Canadian Seed Growers' Association on each sack indicates to the purchaser that he is buying seed that is pure as to variety and contains few impurities such as weed seeds and other kinds of grain. This seed will germinate strongly and if sown on suitable land will produce a uniform crop of relatively high yield.

BUY AT HOME ONLY SUCCEEDS
WHEN ALL CO-OPERATE

"Buy in your own Community" is a good slogan and sound business practice capable of improving the economic status of each member of the community. Frequently only "big service" is given an adage designed for better living.

Buying in your own community increases employment, stimulates the circulation of money and permits more extensive planning on the part of merchants and businessmen.

Obviously members of the community will shop our business section if price, quality and service are comparable with competing markets in the large centres of the province. The "Buy in your own Community" policy, too, is as applicable to merchants as it is to housewives. Wise shoppers ignore rumor and exaggerated statement. Always compare price, quality, convenience and service. Each of these factors are important.

Dunking doughnuts may be bad form it's awfully good taste.
